

## Linette Soldan, Executive Director

Linette Soldan has been in the Social Services sector for over 25 years.

Throughout her career, she has supported individuals and their families with counselling, safety planning, case planning, parenting strategies and navigation of community resources that will build their formal and informal supports.

Linette believes that supporting individuals and their families to increase their sense of safety, resiliency, and dignity is key through the collaboration of strong partnerships.

Strong partnerships assist in seamless client delivery and improve access to services for individuals and their families experiencing domestic violence and abuse.

Linette has a deep passion for being in the outdoors: going for walks, camping and fishing with her family.

### **“What gives you hope?”**

Seeing the heart of the community come together to engage in the spirit of giving back to others through the smallest or biggest tasks. The importance of others standing up to help those who are at risk and supporting them in their journey of hope, healing and achieving their full potential.

*“People working together in a strong community with a shared goal and a common purpose can make the impossible possible.” - Tom Vilsack*
