

## Stacey Christianson, Secretary

I have been serving as a Director on the board for Rowan House since January, 2022.

I have lived in High River with my husband and grown son for the last 20 years, the Foothills is our home!

I am proud to say that I am a Registered Nurse and completed a Masters in Leadership from Royal Roads in 2018.

Having spent my professional career working with women, children and families as they transition to parenthood and work to raise their families, and

having a family of my own, I know this is one of the hardest things many of us will ever do.

Each of us has our own stories and face our own unique challenges. I firmly believe that it takes a village to raise a child, and a supportive community is a very important part of that village.

Rowan House is a rural resource serving some of our most vulnerable populations. I pride myself on working with teams to find creative solutions to complex problems, building on people's strengths, and finding opportunities for continuous learning.

As a member of the board, I hope to contribute to finding those creative solutions, supporting the team to work to its full potential, and working to enhance a service that is known for having community-based solutions to a complex social issue.
